What's important to Sam at work...

My working environment needs to be tidy and clutter free. It is important for me to be organised and prepared for lessons as I always want to work to the best of my ability particularly when delivering a lesson.

I'm happiest at work when:

- ★ I am aware of what needs to be completed.
- ★ I can leave work knowing I have the evening free to relax.
- ★ I work in a supportive team.
- ★ The children in my care are happy.
- ★ When I can see the impact of my work (pupils progress).
- ★ I deliver lessons to the best of my ability.
- ★ I am learning new things to improve my practice.

How to support Sam at work...

- ★ If I am working please don't interrupt me as I am easily distracted.
- ★ Please inform me of things that need to be completed with a deadline of when they need to be completed by.
- ★ Please be honest and direct with me as I communicate best this way.
- ★ Please reassure me when I am doing a good job as I have high expectations of myself which can lead to feeling disheartened.
- ★ Please provide me with training opportunities as I am always eager to better myself and improve.
