

Last night we played Cluedo with all of the JCA workers. There were five suspects, Alex apple, Chris carrot, Charlie chilli, Max mustard and Kelly ketchup. Billy banana was killed by Chris carrot with a jukebox in the fish and chip shop! Aimee.

This morning I became Christian Hood! Nicole, our group leader helped me a bit at the beginning, then I got better. Finally I got 3 out of 5 arrows on the board - fantastic. Christian.

This morning we did kata canoing up the river Avon and we got wet because the people on the Kayak were splashing us. And we kept crashing into the side, it was good though because we worked as a good team.

Eloise.
