Summer 2012 has been an exciting time for the Caroline Thorpe Ward. Our move took place on the 20<sup>th</sup> June and we are settling in very nicely thank you.

We have had some exciting visitors ...  
Matt Dawson, who officially opened the ward,

Olympic Torch Bearer Frank Biederman.

We have created some thrilling stories ...

The adventures of a Tudor peasant who found a message in a bottle whilst fishing.

A school safari park trip that went horribly wrong.

We went in search of a herd of elephants in Africa ...

We have been cooking ...

gardening ...

painting

...

thinking about ourselves and our friends ...
