

Autumn Newsletter NDDH

It's hard to believe that it is nearly Christmas and we have been in our new premises for nearly six months. I think everything is, at last, in the right place in the schoolroom and extra resources are now stored close by. So, this is what it looks like ...

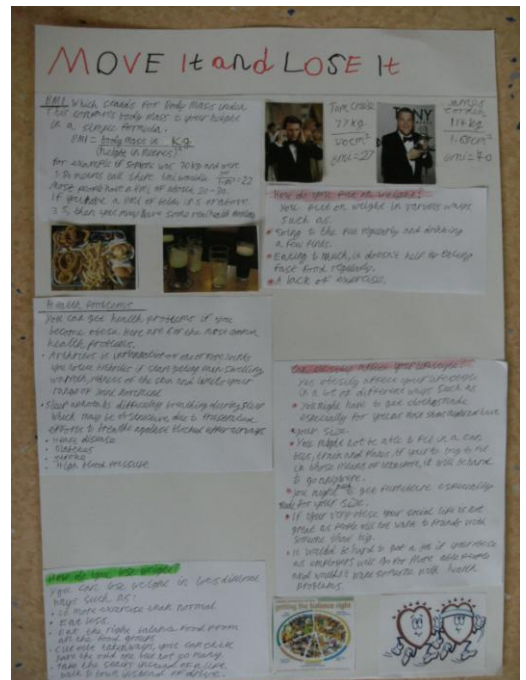

This term we have been learning about:

1066: The year of the three kings;

the importance of exercise and a healthy diet;

Electricity;

planning and illustrating traditional tales

and original stories,

artwork in the style of Paul Klee.

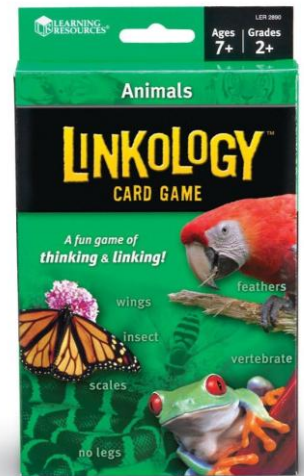

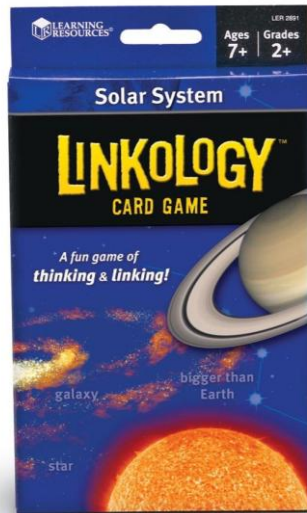

We have some lovely new resources:

A new sewing machine to support Key Stage 4
Textiles

and some science games, which
are proving to be very popular.

And of course, we have started to think about Christmas!
