

British Values at Biddick

Democracy
The Rule of Law
Individual Liberty
Mutual Respect
Tolerance of those of different Faiths and Beliefs

(Department of Education 2014)

Here at Biddick Primary and Nursery School, British Values are promoted through our school ethos and values and our Biddick Primary Promise. They are also taught and reinforced through assemblies and our school curriculum.

Democracy

Democracy plays an important part in life at Biddick Primary and Nursery School. Our pupils have the opportunity to express their views through our school council, 'Pupil Power' and all of our Pupil Power Representatives, Buddies and Prefects are all selected by class vote.

The Rule of Law

At the beginning of the school year, children decide upon their class rules, which are closely linked to our Biddick Primary Promise. This promise clearly sets out consistency in terms of expectations and agreed appropriate behaviour and is reinforced across the course of the school year. Children's awareness of the rules is reinforced by our reward systems.

Individual Liberty

We value Pupil Voice and our children are encouraged to make choices and to express themselves.

Mutual Respect

Respect is one of our key values and it is part of our everyday school ethos that we expect all children and staff show respect for one another.

Tolerance

We encourage our pupils to respect and understand other people's faiths and beliefs.
