

Primary School PE and Sport Funding

Content

Background information:

The PE and Sport Allocation is funding, provided to schools, in addition to main school funding. This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

The government is providing additional funding for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2013.

It is for schools to decide how the PE and Sport funding is spent, since they are best placed to assess what additional provision should be made to enhance the provision for PE in school. Schools are to be held accountable for how they have used the additional funding.

Plans:

Listed on the plan below are some of the ways in which the Althorp Partnership of Primary Schools will be utilising the Primary PE and Sports funding for 2013/2014.
