

Hetton-Le-Hole Nursery School Newsletter

June 2015

Important Updates...

Phew... What a busy few months we have had at the Nursery.

We have 29 children moving on to school at the end of this term. We have thoroughly enjoyed watching them grow and develop some of which have been with us since they were babies! We are so proud of them all and have no doubt that they will be well prepared for their new challenge. Please keep in touch and let us know how they get on.

Over the summer we will be making a few changes within the setting. There will be a few new faces in September and some of the familiar staff members are leaving to follow new pathways. We thank them for their service and wish them well for the future. As a result of the changes your child's key worker may change, you will be informed of any changes personally. We are looking forward to the next academic year with excitement. If you have any questions please do not hesitate to ring or pop in and speak to the Headteacher.

Childcare

We still offer 7:30am until 6pm daily sessions. If you need any additional childcare or would like to extend your session times please contact Allison or Jessica.

FEES

Please can you ensure you drop your wallet off at the office on a Tuesday. All fees should be paid in advance. Thanks!

Weather

We are finally having some nice weather! ... fingers crossed it stays that way. You might like to send in a sun hat for your child incase they are out working in the garden. We also advise that you put sun cream on your child before they come to Nursery each day.

Spare Clothes

We are running very low on spare pants and socks in the 2-3 room. If anyone has any that they would like to donate we would be very grateful.

Ofsted

We have sent out our recent Ofsted reports and hope you have had chance to read them. I am so proud of what we have achieved and would like to thank each and every one of you for your on-going

support. Hetton Nursery is going from strength to strength!

The children are a credit to us and I think both reports reflected how brilliant they all are. If you haven't seen the reports they can be

accessed on our website at www.hettonleholenursery.co.uk or on the Ofsted website at www.ofsted.gov.uk

A visit from Brendan the Music Man...

Brendan has been visiting our Nursery, once per week, working with the 3-4 room. He has been teaching us all about traditional tales and we even did a performance for the parents. There is a floor book in the cloakroom if you would like to find out more.

Attendance

IMPORTANT

Just a polite reminder to ask all parents if they can complete the holiday childcare requirement forms within the given time. We set the rota two weeks in advance so we will have to charge full fees if you don't give us the required notice. If your child only attends during term time you do not need to notify us unless you require additional sessions.

Have you noticed our attendance stars in the cloakroom?

We are so proud of all of the children who achieve 95% or more each term!

Did you know.....

- * Good attendance helps your children to do well at school, college and at work
- * Attendance matters as early as nursery. Studies show that children who miss too many days in Nursery can struggle academically in later years.

Childcare Fees

We have introduced a new system to record the fees that we receive. As part of this system you will now receive monthly invoices. We do encourage you to pay fees in advance however this can still be done weekly. We hope that receiving invoices will help you to keep track of what you pay and will give you a record of childcare payments across the year.

If you have any questions please pop in and have a chat with the Nursery Manager Allison.

Reminders

PARKING

Please can we ask parents to be considerate when they are parking their car to drop children off at nursery. We have had a number of residents complaining that they can't get in and out of the street. Thank you

SCHOOL FAIR

Please come along to our school fair on
SATURDAY 4 JULY at 10am -1pm

There will be face painting, ice creams, a tombola, a bouncy castle, a sweet shop and more.
