

Recommended books for Year 5

This list is produced as a guide for parents. Not all titles will be suitable for every child – it depends very much on the age, interests and emotional maturity of the individual. One of the greatest incentives a child can have is to discuss a book with a parent, and the contents of many books here would appeal to adults too!

Please be guided by your child and if they particularly enjoy a book then do look for other titles by the same author.
