

Literacy, Drama and RWI:

This term our literacy lessons will be based on:

Using adjectives to describe Captain Beastlie and the story setting.

Using instructions to create a healthy pirate party food.

Exploring and retelling the traditional story of "Peter Pan".

Finding out information from explanation texts

Science:

Our science topic this term will be exploring healthy eating , as well as investigating solids and liquids.

In our lessons we will be:

Designing and making a healthy recipe.

Exploring solids and liquids.

Finding out where food comes from.

Understanding the benefits of healthy eating and exercise.

Maths:

We will be developing our maths skills by:

Comparing numbers from 0 up to 100 using < signs.

Recognising the place value of each digit in a two digit number (tens and ones).

Recognising and use the inverse relationship between addition and subtraction.

Recognising and use symbols for pounds and pence.

Choosing and using appropriate standards units to estimate and measure length/ height in any direction (m/cm) using rulers.

Interpreting and construct simple pictograms, tally charts, block diagrams and simple tables

RE:

We will be exploring the question "Why is our World Special" by:

Exploring feelings and thoughts about different aspects of the world around us.

Exploring the creation story and asking our own questions about creation.

Understanding the Hindu creation story.

Understanding the Muslim creation story.

Comparing similarities and differences between the different versions of creation.

Topic:

Our topic this term is "Pirate Party Planners". We will be learning about pirates, healthy eating and learning about the artist Carl Warner.

We will be going on an interesting trip aboard the Matthew, and enjoying a pirate experience.

In our topic lessons we will be:

Designing a treasure map

Creating our own "foodscape" in the style of Carl Warner

Creating our own pirate 'self'

Planning a pirate party

PSHE:

This term we will be developing our Core Learning Skill "Learning with Others". Our "I can statements" will be:

I can interact with a group.

I can carry out a task given to me by an adult.

I can identify children in a group that involve me in a game.

I can carry out a role I have been given in a group activity.

Computing:

This term, we will be learning how to write a simple computer program by breaking a problem down into simple steps which we call an algorithm.

Music:

We will be exploring duration using our voices, body percussion and instruments. We will be creating our own Sea Shanties!

PE:

We will be developing key skills in PE this term, with a focus on our rounder's skills. We will also have SHINE coaches coming in to work with us during our indoor PE sessions.
