

## Rules for Responsible Internet Use

The school has installed computers with Internet access to help our learning. These rules will keep us safe and help us to be fair to others.

I will only access the system with my own login and which I will keep a secret.

I will not access other people's files.

I will use the computer for school work and homework.

I will not bring floppy disks from outside school unless I have been given permission.

I will have permission from a member of staff before using the Internet.

I will only e-mail people I know, or my teacher has approved.

The messages I send will be polite and responsible.

I will not give my home address or telephone number, or arrange to meet someone, unless my parent, carer or teacher has given permission.

I will report any unpleasant material or messages sent to me. I understand this report would be confidential and would help protect other pupils and myself.

I understand that the school may check my computer files and may monitor the Internet sites I visit.

I realise that if I use the Internet irresponsibly, access may be denied.
