### The Aliens Have Landed!

### Help at home...

This term your child will be given spellings to practice at home and they may wish to complete additional number facts or maths badge practice.

If you have any questions about the maths badges, please feel free to email one of us or come and talk to us directly. We will be discussing any concerns in our 'Meet the Teacher' meeting.

Please read as often as possible with your child and record this in the lovely planners which will be checked every week.

### Things to remember....

Please ensure children have daps or trainers in their PE bags as they will be going outside every Friday, weather permitting. Please also check that your child has a tracksuit for the colder weather and all kit is named with permanent marker pen.

PE will be on a Wednesday and a Friday afternoon.

This term's homework task is for the children to bring in a photograph of them at their favourite place in the village. We will be asking the children to share this with the rest of their class during the last week of term so please could the photos be brought in no later than Friday 16th October.
