Dear Parents/Carers,

Your child's teacher has created a 'Blog Page' for their class, to provide you with the latest information and inform you of weekly events in order to keep parents updated with current class news. By providing the school with your email address we can have this information automatically emailed to you without the need to access the blog through the class page on the school website.

Please can you complete the slip below and return to the school office as soon as possible.

Yours sincerely

Karen Smith
