

PE and School Sports Funding Report

July 2015

At Downs Infant School we want all of our children to leave us with the skills knowledge and motivation necessary to equip them for a healthy active lifestyle and a lifelong participation in sport and physical activity.

With effect from September 2013 schools have been provided with additional funds to develop PE and sports and promote activity and healthy lifestyles.

This money is to enable primary schools to achieve self-sustaining improvement in the quality and scope of PE against 5 key indicators;

- The engagement of all pupils in regular physical activity - kick starting healthy lifestyles
- To raise the profile of PE and sport
- To increase the confidence, skills and knowledge of all staff in teaching sport and PE
- To offer a broader experience of sports and physical activities to all pupils
- Increased participation in competitive sports

This report covers the academic year September 2014- July 2015.
