

Meersbrook Bank Community Primary School

Vision – Learning Together

Aims:

Relationships

- For all children to learn together in school and the wider community and develop empathy

Respect

- For all our children to develop positive attitudes towards themselves, others and their environment
- For all children to develop self-esteem and the confidence to try new things

Resilient

- For all our children to be excited about new challenges and be prepared for on-going learning in the changing world
- For all children to develop skills in sustaining their motivation and readiness to learn

Reflective

- For all our children to have high aspirations for learning and be proud of their achievements
- For every child to be involved in setting challenging goals, discussing how to achieve them and to know when to ask for help

Resourceful

- For all our children to develop skills of enquiry, problem-solving, creativity and to become enterprising learners

Responsible

- For all our children to appreciate the need to be caring, trustworthy and reliable citizens
- For all children to take responsibility for their learning

We will achieve these through:

- A broad, balanced and meaningful curriculum
- Celebrating our diversity, beliefs and cultures
- Developing links with our community and the wider world
- Providing an enriching programme of extra-curricular activities and memorable experiences
- Positive home-school partnerships
- A happy, safe and stimulating learning environment
- High quality teaching and learning tailored to meet the needs and strengths of each child
- Actively educating children on how to keep themselves safe in school, out of school and online
- Providing opportunities for learning about healthy lifestyles and well-being
- Developing children's spiritual, moral, social and cultural awareness
- Ensuring the professional development of all staff to help us to be the best we can be
