

'Parent Voice' questionnaire April 2015.

As you are aware, each class has a parent representative that meets regularly to form the school's Parent Voice. This ensures that parent's ideas and opinions are listened to. The school website has a page dedicated to Parent Voice where you can discover more about how this group works. So that Parent Voice can continue to give you opportunities to contribute, we ask that you kindly take some time to complete this questionnaire.

Please return with your child through the class pot system by Monday 23rd November 2015.
