

Class: P5/6/7

Number of pupils = 40

Statements refer to specific quality indicators. (Q1)	Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
1 Teachers and supervisors help me to feel safe in the school.	42.5	45	2.5		10
2 I feel safe from all forms of bullying behaviour on the way to and from school.	32.5	25	12.5	1.5	22.5
3 I feel confident going to school knowing what to do if I am bullied.	47.5	40	2.5	5	5
4 Pupils in our school are well behaved.	10	25	15	12.5	37.5
5 Teachers in my school think that bullying is wrong.	77.5	10	2.5	5	5
6 If I tell a teacher/adult that I'm being bullied I know that he/she will listen and do something to help.	52.5	32.5		2.5	10
7 In school we are given advice on how to cope with someone who is bullying us.	50	35	5	2.5	7.5
8 I understand that it is my responsibility to tell an adult if I know that a bullying incident is going on in this school.	42.5	37.5	7.5	5	7.5
9 I know that the only way that bullying can be stopped is to report all incidents.	50	35		2.5	31.5
10 In group work we learn how to value others and respect difference.	57.5	30	2.5		7.5
11 When we do well in school we are praised and it is acknowledged publicly.	52.5	27.5	5		12.5
12 Teachers talk to my parents if I have concerns about bullying.	40	27.5	5	5	20
13 We talk from time to time about the school rules on bullying.	62.5	25	2.5	5	5
14 In school we are given opportunities to discuss bullying and raise our own concerns.	37.5	45	5		12.5
15 We have opportunities to explore the feelings and emotions surrounding bullying behaviour in different subjects.	37.5	20	5	12.5	25
16 I am taught how to stand up for myself without being aggressive, or hitting back.	57.5	22.5	5	5	10
17 I am taught how to cope with bullying from internet chat rooms and texting.	65	27.5	2.5	5	

Three things I think would make Anti-Bullying Culture better in my school
