Taking care of each other  
Always trying our best  
Everyone learning together

1<sup>st</sup> December 2015

Dear Parents

**Re : SCIENCE CLUB**

Pupils in Years R, 1, and 2 are invited to join our Science Club which will meet at lunchtime on Wednesday 12.15 until 1.00pm. The club will commence on Wednesday 6th January 2016.

We will be carrying out various investigations and covering Biology, Chemistry and Physics. Investigations will include making fire extinguishers; making slime; fruity batteries and rainbow fizz.

Science Club is a great opportunity for any child with an interest in all things scientific, whatever their skill level.

Mrs Jackson has kindly volunteered to run the class.

If your child would like to be involved, please complete the form below and return it to class teacher, by Thursday 10th December. There will be 18 places available. If the demand is high a waiting list will be put in place. Individual letters will be sent out with further details once numbers have been confirmed.

Yours sincerely

Mr T Martinson  
Headteacher
