

Literacy

- Our topic this term is "Up in the sky and across the sea".
- We will be looking at explorers (Neil Armstrong and Christopher Columbus).
- We will be using non-fiction books.
- We will be learning how to ask questions and where to find the answers.
- We will be looking at poetry.

Computing

- We will be writing instructions and using a camera to record each other following them.
- We will be learning to use technology responsibly and safely.
- We will introduce the children to the ICT suite.

Numeracy

- Counting in 2s, 5s and 10s.
- Writing numbers in numerals and words.
- Finding $\frac{1}{4}$ and $\frac{1}{2}$ of shapes and quantities.
- We will be naming coins and notes and using them in our addition and subtraction problems.
- We will be looking at different patterns and creating our own.
- We will be doubling numbers to 20 and using this knowledge to find halves.

PSHCE

- Aspirations linked to curious cat.
- We will be looking at our targets and how to improve our own work.

*Up in the Sky
and Across
the Sea.*

Art / DT

- We will be using music to inform our art and responding to the songs creatively.
- We will be making rockets.
- We will be drawing and painting pictures using artistic methods from across the world.

Geography/History

- We will be looking at famous explorers and finding out facts about them using the internet and books.
- We will be looking at objects and artefacts and finding out where they have come from.
- We will be comparing aspects of life from different times.

Science

- We will be looking at the seasons.
- We will be thinking about why and how the weather changes.
- We will be looking at our world in space.

RE

- We will be reading creation stories.
- We will be looking at special books including the Torah and Bible.
- We will be learning about the Easter story in an age appropriate way.

Music

- To identify and make long and short sounds with voices and instruments.
- Clap rhythms
- Choose sounds to create an effect.
- We will be listening to "Mars" from the planet suite by Holst and "Four Sea Interludes" by Benjamin Britten.

Physical Education

- Participating in team games
- PE will be on Tuesday mornings and Thursday afternoons. Please ensure your child has their PE kit at school.
