## New Outdoor areas ready to go.

We have been working hard to develop our outside areas to develop our learning opportunities further. This term we have focused on developing our outside sensory zone, have completed the new exploring zone and have added to the physical zone. New equipment includes more sensory trays, musical instruments on the fences, a giant multi sided easel, posting tubes and water cascade, tyres with work tops, a trampoline etc. Please send in wellies, outdoor coats and spare clothes. Thank you.

## Supporting Learning at Home –

We are trying to develop some home learning resources to help support opportunities at home. If you have any children's books at home that are unwanted or we can copy could you please send these in with your child, especially those in your Home Language. Thank you for your support.
