

Holiday club

Holiday club runs in all school holidays and teacher-training days. We plan themed weeks that include various trips and activities to suit children aged 3-11.

Holiday club operates within Kirkby and Great Broughton School and attracts children from all areas and schools.

During Holiday club we open Monday-Friday 8am until 6pm.

Each day has different planned activities that reflect the theme for that week. This may include trips out (which may have a surcharge).

We require your child to bring a healthy packed lunch during holiday club sessions and a cooked meal is provided between 4-4.30pm.

Each child who attends Schools out must fill in a registration & consent Form, and adhere to the policies and procedure of the club, these are available for you to read at your leisure in the school hall, or alternatively you can request a copy from a member of the schools' out staff.

If you have any further questions please do not hesitate to pop in for a chat, or you can telephone the manager on both contact numbers.
