

Finedon Infant School

School Uniform Policy

This policy has been written to outline the details and aims of our school uniform.

Finedon Infant School believes it is important that our school uniform is strictly adhered to because it:

- Gives our children a sense of belonging and pride in our school
- Reduces the risk of social pressures
- Reinforces our school's positive behaviour systems
- Supports the teaching and learning within our school.

Finedon Infant School Uniform:

- Black or grey trousers, skirt or shorts (not football shorts or three quarter length trousers or track suit bottoms)
- White polo shirt or white collared shirt
- Wine (maroon) sweatshirt or cardigan showing the school's logo (no hoodies)
- During the summer, girls can wear cotton, checked dresses
- Dark coloured socks with trousers. White socks or black tights can be worn with dresses or skirts
- Flat/low heeled black shoes or closed-in sandals
- Shorts and skirts should be an appropriate length
- One or a pair of small, simple stud earrings and one watch to be worn only
- Neat and tidy hairstyles, long hair to be tied back.

The children are not allowed to:

- Wear trainers
- Wear jeans, leggings, tracksuit bottoms (including three quarter length trousers) or combat-style trousers
- Come to school with dyed or streaked hair
- Wear jewellery other than that stated above, including hooped earrings or jewelled earrings
- Wear inappropriate footwear including trainers, open-toe sandals, flip flops or sling back shoes; boots should only be worn underneath trousers
- Wear make-up of any kind, including nail varnish and temporary transfers
- Attend school with hair styles which are deemed by staff as inappropriate – this includes shaved patterns in the hair.

If a child attends school without the correct uniform a note will be expected from parents to explain why. The school will assist any parents who have a genuine problem in acquiring articles of school uniform.
