We were extremely proud of all the children at their Harvest Service in Church this morning. Thank you for the generous donations of food for the Skelmersdale Food Bank. After the service in Church on Sunday all the donations will be taken to the Ecumenial Centre for distribution.

Earlier this week our Key Stage children visited the Jorvik Centre in York. Olivia and Daisy have written a short article to explain the events of the day...

We went on a ride which took us through a tunnel to look at Viking artefacts and a display of a typical Viking village. When the ride ended we discussed what we had seen and found out even more interesting information about the Vikings.

Did you know?

The Vikings dug a hole in the back garden and to use as a toilet, then they covered it up with mud!

Did you know?

The Vikings used pig's knuckles to play games with!

Miss Singleton has planned a Fabric Craft Club for the After-School session on Monday. If you would like to join her please book at the office or with Rachel.

Stars of the Week
