Our first week back at school has been lovely! The children, in all classes, have settled back into routines very quickly. Our Reception children settled into Dalton school on their very first day! This year we are really pleased to see a new year group of children with the addition of our pre-school.

A warm welcome to our new families.

Our Early Years children loved making music in the sunshine!

They are also happy to take turns and play in the kitchen.

This year our **Harvest festival** will take place in Church on Sunday 20th September at 10.30am. The children will be taking part in the service so please try to attend this celebration. Once again, we are collecting tins and dried food for the local Food Bank. Donations can be sent into school next week or brought to the Harvest Festival Service in Church. Thank you in anticipation!

Swimming lessons begin on Tuesday for children in Year 2, 3, 4, 5 and 6. Please make sure swimming kits are sent into school. It is also advisable for P.E. kits to be left in school each week.
