

Dalton St Michael's C.E. Primary School

Newsletter 3

September 25th 2015

This week class two have been learning all about volcanoes.

They made their own volcanoes and completed a Science investigation to make them erupt which was very exciting!

Afterwards they used different paints with different techniques to represent the eruption of the volcano.

This was Ryan's special picture which is proudly displayed in his classroom.

Thank you to all who donated cakes or were able to attend The McMillan Coffee morning. We managed to raise **£121.57** for this worthy cause.

On Saturday 3rd October Dalton St Michael's Church are holding a Craft, Skills and Hobbies Exhibition in the Church. Our children are invited to display any crafts or art work if they wish.

We are collecting glass jars to make different types of jam again this year. Please bring in any small glass jars that you may wish to recycle to the school office.

Your child's Data sheet will be sent out early next week. Please return it to the school office as soon as possible.

Please remember to inform us of any changes of phone numbers.

Stars of the Week

Reception: **Poppy** for super reading and brilliant expression using lots of different voices

Year one: **Amara** for brilliant place value work recognising tens and units

Year two: **Logan** for being a 'superstar writer' during 'Big Write'

Year three: **Maya** for completing extra work at home to further her understanding of decimals

Year four: **Harriet** for her lovely response to our class discussion about who inspires us

Year five: **Elijah** for trying hard to edit his English work

Year six: **Charlotte** for a wonderful approach to all her learning

Attendance

Class two
with 98.9%

Next Week

PTFA meeting on Thursday at 3pm
in the school hall. All parents and
friends of Dalton school are
welcome.

Mrs Adele Robinson BEQ NPQH - Headteacher
