

Dalton St Michael's C.E. Primary School

Newsletter 11

April 17th 2015

The summer term has started so well. Look out for the next Church magazine to read about Mr Attkins' class exciting first day back at school!

On Wednesday Cole and Ella went to Lathom High School to a Sports Council meeting. They are representing Dalton St Michael's at the West Lancashire Sports Council involving all the local Schools.

Mr Attkins' class had a 'Teddy Bears Picnic' this morning. There were lots of tasty treats to eat.

Jo and Mrs Patterson even got encouraged to play with the parachute when they went to the children with messages and queries about the menu!

Please remember your musical instruments and books if you have a music lesson with Mr Heptinstall on Monday! Could you please collect tokens for Growing Kits from any Kellogg's cereal boxes if you buy these products. Thank you.

Stars of the Week

Reception: **Daisy** for remembering to use lower case letters in the middle of her work

Year one: **Ellis** for super comprehension work when reading

Year two: **Ryan** for using 'partitioning' to add two 2-digit numbers

Year three: **Niamh** for trying really hard in maths and persevering with the challenge

Year four: **Megan** for super 'grid method' work which was beautifully presented

Year five: **Daisy** for her impressive work in Maths adding decimals mentally

Year six: **Lottie** for her fantastic effort in science researching extinct animals

Next Week

We are expecting an incubator and some eggs to arrive in school. Hopefully, we will see some chicks hatch!
