

Dalton St Michael's C.E. Primary School

Newsletter 12

December 4th 2015

This week, as well as working very hard, the children have taken part in activities in preparation for our Christmas fayre.

Class one made chocolate spoons...

Class two have been busy making and decorating biscuits...

All the children have been designing and making Christmas cards...

Some designs have been entered for a competition with Lancashire catering.

Our Church service on Friday 18th December will be another opportunity for families to see our Nativity and join in our Christmas Carols.

The Scholastic Book fair has been a great success. Children have loved reading the books. With your help we managed to sell books to the value of over £500. This means we were able to buy books worth the same amount for our school library.

Thank you for all the support towards the school Christmas fayre today. Money raised will be used to provide the pantomime trip to Aladdin and the children's Christmas party.

Please note that we now have a school facebook page with information for parents.

Stars of the Week

Reception: **Poppy** for super singing and listening

Year one: **Joel** for a brilliant diary entry for Monty the penguin

Year two: **Ellis** for super Maths work all week

Year three: **Hattie** for her continuous hard work in Homework Club

Year four: **Harriet** for having beautiful manners and setting such a good example to others

Year five: **Megan** for interpreting information and data from pie-charts

Year six: **Jessica** for using a compass with accuracy and learning to draw pie-charts
