This half-term we are excited about our new learning themes in the 'Connected Curriculum':

The Class One theme is called 'Fighting Fit'

The Class Two theme is 'The Iron Man'

Class Three are continuing with their theme 'Heroes and Villains'.

You can find more information on the planning overview sent out today.

On Thursday all the children worked with Julia, using some textiles to create our new school banner. The banner has been designed by the children so they were involved in the next stage in the development.

We are looking forward to seeing our finished product.
