

# Dalton St Michael's C.E. Primary School

Newsletter 3

January 23<sup>rd</sup> 2015

## Stars of the Week

Reception: **Logan** for using the correct terms in Science and finding out

Year one: **Joshua** for writing a clear set of instructions

Year two: **Ryan** for brilliant responses in Science

Year three: **Haydn** for a super effort at swimming and getting into the 'big pool'

Year four: **Elijah** for his excellent attitude to his work in class

Year five: **Jakob** for helping his friends measure their lung capacity in our Science lesson

Year six: **Tyler** for being a brilliant big brother!

## Best Attendance

Class 5/6 with  
97.89%

The focus in Lower Key Stage two has been multiplication this week. All the children have been eager to practise their times tables through practical experiences which really work!

Niamh and Milly used the Multiplication Machine to great effect.

Izzy used the Interactive whiteboard to help her practise the times tables and see the patterns in the numbers.

Kaden, Callum and James played a game to reinforce the times tables and help with rapid recall of the corresponding numbers.

Please could all the Data Collection Sheets, consent forms for the school trip to Southport Theatre be returned to the school office as soon as possible.

**Reminder:** Don't forget to check the school website in the event of bad weather at [www.st-michaels-ce56.lancsngfl.ac.uk](http://www.st-michaels-ce56.lancsngfl.ac.uk)

## Next Week

Church Service on Friday at 9.15am

All welcome
