This week we found out the Charlotte came second in a logo design for Procter and Gamble, Skelmersdale. She won £250 for our school! As she is a member of the School Council and also a Playleader she has chosen to spend this money on additional playground equipment for the school.

Thank you Charlotte!

Our Reception children have been searching around school for three dimensional shapes. Amara and Daisy found a globe which they were able to identify as a sphere.

Yesterday, Olivia, Kieran and Jack took part in an 'inter-school' Athletics event at Robin Park, Wigan which they enjoyed.

Reminder: Don't forget to check the school website in the event of bad weather at www.st-michaels-ce56.lancsngfl.ac.uk
