January 29th 2016

This week has been another exciting week with lots of work our children should be proud of...

In Class one the children have been reading the book 'The Perfect Present' written by Fiona Robertson. The children have really enjoyed the story and thinking about what their perfect present would be.

On Thursday Miss Singleton brought her perfect present into school to surprise the children. Mimzy, her pet, popped out of a box just like in the story.

The children in the early years then learned all about looking after a pet. They enjoyed watching tricks too!

In Class two the children had an interesting lesson where they met the pied piper. They played 'The Zone of Relevance' to think of appropriate words to describe the pied piper.

They followed the 'Pied Piper' back to their class after their memorable lesson. We look forward to seeing their descriptive words in their poems next week.

Stars of the Week

Reception: **Tom** for sounding out and blending when reading and being focused during Maths work

Year one: **Bella** for trying hard with odd and even numbers

Year two: **Logan** for adapting a sentence from 'Wanted: the Perfect Pet'

Year three: **Ryan** for his very impressive fractions work this week

Year four: **Haydn** for explaining his ideas clearly during our 'Pied Piper' lesson

Year five: **Molly** for responding to questions on the text of Jane Eyre

Year six: **Ella** for excellent work on Modal verbs completed at home and presented in class via the Interactive whiteboard
