Our Gardening Club enjoyed their time at the 'Show what you Grow' event at Skelmersdale College on Wednesday. They won first prize for the best radish; second prize for the best hanging basket; a silver award for the best produce and a bronze award for the display of children's work.

They arrived back at school with a trug filled with gardening tools as their prize as well as lots of stories about their day.

Year two children have enjoyed their time learning all about Key Stage two this week. They have worked alongside the year three children to get used to 'Life in the Juniors' before the Summer holiday. The year four children also had the opportunity to work alongside our year five children on Thursday this week.

Good luck to Olivia who travels to Helsinki to represent Great Britain in gymnastics next week!

The **Summer Holiday Club** will be available on July 23rd and 24th and September 1st, 2nd, 3rd and 4th from 9.00am until 3.00pm. There are places available if you wish your child to attend. Please book beforehand so we know the numbers of children to cater for.

Invitation to Year three and four parents:

The children have worked hard this term learning how to play the keyboard. They would like to invite parent to watch a small performance on Wednesday at 2.30pm in the school hall.

Stars of the Week
