Luckily our Sport's Afternoon was able to go ahead on Wednesday – third time lucky! It was a lovely afternoon which was made even more memorable by the support from our families. Thank you to Mrs Britton, Charlotte and Catherine for your organisation of the event.

Well done to the Green Team who won the most points overall.

Year Five and Year Six children also took part in a Triathlon on Thursday. Mrs Britton and Miss Singleton were very proud of their efforts and perseverance.

All the children in class one have been busy drawing bees which appear in their performance. Robyn's bee was chosen as the picture for the tickets. Well done Robyn!

The Ladies Night managed to raise £453.00 for children at our school. Thank you for your support.

Reminder: Messy Church will be shared with the congregation at Church on Sunday at 10.30am. It would be lovely to see our families there.
