

Dalton St Michael's C.E. Primary School

Newsletter 14

May 15th 2015

We are very proud of our year six children who have worked hard all year and have completed their SATs tests this week. We are always mindful that although these tests measure the children's academic attainment and progress through school, they only measure a part of the children's education. Dalton children always demonstrate a wealth of exemplary social skills and values and we are sure the year six children are well-equipped for the rest of their learning journey.

Thank you to all the parents who kindly donated food and drinks for the 'After SATs' party which was thoroughly enjoyed by all!

Watch out for Miss Brady on 'Britain's Got Talent' in a group called 'The Honey Buns'. She worked with our children doing Drama earlier this year.

Thank you to Haydn and his parents who have donated the play shed for our playground. The inside of the 'shed' is currently being designed by the children. We look forward to seeing some of the designs become reality.

Reminder: Sport's Day is planned for Wednesday afternoon from 1pm until 3pm (weather permitting) Parents, Grandparents, Aunts and Uncles are welcome to support. Hopefully, the sun will shine for us!

Stars of the Week

Reception: **Joel** for super effort all week

Year one: **Milly** for completing the hundred square!

Year two: **Ruby** for finding $\frac{1}{2}$ and $\frac{1}{4}$ really well

Year three: **James** for continuously helping others in all areas

Year four: **Callum** for his fantastic cricket skills in P.E.

Year five: **Megan** for writing about her painting of heaven in a mature and detailed way

Year six: **All of the year six children** for their hard work and positive attitude during SATs week and making our SATs party lots of fun!

Best Attendance

Infants with 99% again!

Next Week

There is a Borwick Hall meeting for year five and six parents on Wednesday at 5pm.

There is also a meeting for our new Reception parents on Thursday at 5pm.
