Best Attendance

Year 3/4 with 96.0 %

The half-term began with the children taking part in an exciting musical experience. We invited members of the Lancashire Music Service to work with our children to produce their very own song. It was a fantastic morning and the children gained new skills.

It has been lovely to see all the children (and some staff and parents) dressed in pyjamas today as part of our non-uniform. The day began with our 'Bog-Eyed' Jog. The children took part in warm-up exercises followed by completing laps around the school hall. Finally they sat down to well-earned toast and juice. Thank you to all the parents, members of the PTFA and staff who supported this event. We plan to use the money raised for our school trip to the theatre in February.

As the sale of our 'Delicious Dalton Damson Jam' was so successful this year we are planning on making more varieties next year. Please could you send your used jam jars in for us to recycle?

We are extremely pleased with the improvements in our attendance over the last two years. The last half-term was the best ever with 97.8% attendance for the whole school. Please find attached our latest Attendance Policy.
