

Dalton St Michael's C.E. Primary School

Newsletter 10

November 20th 2015

Today has been 'Children's Takeover Day' at Dalton St Michael's. Mrs Britton's class spent part of the morning with a different member of staff and finding out about their role in school.

Jakob worked in Mr Atkins' class sharing his maths strategies with the year two children.

Molly spent part of her morning finding out about what Miss Dowling does when she is not teaching. She helped Miss Dowling with the preparation of resources and books for her lesson.

After their morning the children began to write about their experiences. We look forward to reading their finished reports!

The Scholastic Book fair will be in school from Tuesday 23rd November until Friday 4th December. The Book fair will be open before and after school every day for you to come and look at the books with your children.

The PTFA are collecting donations for the Tombola stall for the school Christmas fayre on Friday 4th December. Any donations of prizes would be greatly appreciated.

Please do your utmost to attend the Church service on Sunday 22nd November to support the Toy Service.
