Today Miss Dowling's class have been busy cooking healthy food. They made carrot and coriander soup, tasty bread and 'Viking' biscuits.

It was lovely to see all the children working together, learning new skills and tasting all the healthy food.

Thank you to Megan's mum for all her help with this activity.

Thank you for your attendance at our 'Meet the Teacher' evening on Wednesday. We hope you were able to find out about your child's progress so far and also what they will be learning this term. As always, we are available to discuss any concerns you may have or to find out about your child's successes out of school.

Please tell all your friends and family about our Open Day on Thursday 16th October.
