On Wednesday, Miss Dowling and Years 5/6 were busy cooking healthy food. They made pumpkin soup using the produce we have grown in the school garden.

The children also explored our school grounds and identified different types of leaves. They learned more about the beautiful nature which surrounds our school grounds.

Thank you to Mr and Mrs Lake for their help and support.

On Tuesday Year 5/6 had the opportunity to visit Up Holland High School for a Literacy Writing Day. The children experienced an 'alien invasion' and produced lots of wonderful work which we are very proud of.

Please tell all your friends and family about our Open Day on Thursday 16th October.
