On Thursday our school was invaded by a Viking named Erik, who arrived in a time machine, which appeared on our playground. Erik was a 'Vicious Viking' and we all had to work extra hard to please him!

The children wrote newspaper reports about the invasion, they wrote songs and raps about Erik and also made Viking models using playdough.

Our Reception children had a 'Stay and Play' session during the morning. Parents and grandparents were able to join the children in their learning.

The Life Education Bus has been a success today. All the children (and staff) really enjoyed their experience and learned an awful lot as well.

You are welcome to join us at our Church service next
