Our French day on Thursday was a success. All the children in key Stage two completed a carousel of activities to include oral work in the French café, French grammar, food tasting, art work and technology work.

Deacon and Niamh prepared food in our French café, practising their oral work as they worked.

We tasted different types of French cheeses and bread.

After half-term we are encouraging the KS2 children to pay for their own snacks themselves at playtimes. This will help with calculating amounts and using money in real life. If your child wishes to buy snacks they can bring their own purse/wallet or use our money envelopes to store their money until break-time. Thank you.

There will be sports club on Monday evenings beginning soon after half-term. This will be for Key Stage two children at first but will be open to KS1 children later in the year. Further details to follow. Lego Club continues on Tuesdays for Y1 to Y6 children. Homework Club continues on Thursdays for children in Y3 to Y6. Cinema club is due to take place on Friday 6th November for the whole school. Enjoy half-term!
