Newsletter 2

September 19th 2014

On Tuesday four of our children represented the school at the Mathematical Challenge at Lathom High School. The children had to solve a range of problems and work as a team. All the children enjoyed the event and managed to come third out of fourteen schools in our locality.

Well done,
Charlotte,
Catherine,
Kieran and
Jamie!

Another exciting activity for the children was the radio advertisement with Rock fm. Children from year two, year four and year six worked together to produce adverts to promote our school. Caroline, from Rock fm, presented the children with certificates and each child has their own CD to keep.

If you would like to listed to the adverts you can find them at i.rockfm.co.uk and also on the school website.

Stars of the Week

Reception: **Daisy** – for independently sounding out and blending 'sat, tap, pat and nan'.

Year one: **Leo** – for always trying hard and listening to feedback

Year two: **Deacon** – for brilliant rounding to 10

Year three: **Kaden** – for a fantastic piece of writing about the Viking invasion

Year four: **Elijah** – for a mature attitude to all his work and for being helpful

Year five: **Charlotte** – for attention to detail with her art work

Year six: **Jack** – for focus and attention to all his work
