

Sedgefield Primary School

Learning Together for Life

Andrea Cox - Headteacher

I have been Headteacher at Sedgefield Primary since September 2010. I thoroughly enjoy being part of our special and successful school, which feels like one big family. We have a fantastic staff team, who work extremely hard together to nurture the children to achieve their full potential. The children at Sedgefield are truly remarkable. They are bright, articulate, caring and full of fun and they do something to make me proud every single day. It is a pleasure to work with our Governing body. They are very capable and dedicated people, who work tirelessly to support the education and well-being of our children and to ensure they have the best facilities and resources we can provide.

Register of interests statement:

I can confirm that I do not have any relevant business interests including other Governor positions and that I do not have any relationships with members of the school staff including spouses, partners, relatives. There are no other conflicts of interest.
