Learning Together for Life

Andrea Thompson

I moved from Hampshire in 2011 and became a parent governor when my daughter joined the school in Year 3. I am now a teacher in Year 2 at the school as well as being a parent Governor. My role of governor will continue until May as my daughter has now moved into Year 7. I enjoy being part of the Governing Body as it gives me a different perspective on school life and I have two completely different roles to play.

Register of interests statement:

I can confirm that I do not have any relevant business interests including other Governor positions and that I do not have any relationships with members of the school staff including spouses, partners, relatives. There are no other conflicts of interest.
