Dear Candidate

Thank you for showing interest in the vacancy at Fairholme School. We are looking for a candidate who is passionate about ensuring the progress of all children in all aspects of learning. We are seeking applicants who are experienced in planning creative learning opportunities and challenge all children to take an active role in their learning journey. If this is you, we look forward to meeting you and welcoming you into the Fairholme family.

Fairholme is a very welcoming school, we have a great staff who support each other and work well as a team. We are an expanding school and as such we have recently had a building project on site to provide 7 new classrooms and a new staffroom.

Our children are well-behaved and enthusiastic about learning. We provide our children with a wide range of creative learning opportunities which they wouldn't necessarily have access to outside of school. Every child in KS2 learns a musical instrument through the Local Authority's Wider Opportunities Music Scheme and we regularly hold Art Exhibitions to showcase the amazing art work that is produced throughout the school year.

At Fairholme we work hard to develop positive relationships with the parents and families of our children. We encourage parents/carers to take an active role in supporting their children's learning journey.

We are very lucky to have a huge amount of green open space, so there are great opportunities to develop outdoor learning. We even have an outdoor arena where the whole school performs in music and dance in our Summer Festivals. In addition we have access to Bedfont Lakes, an area close to the school, for Forest School activities.

I hope you find the information pack useful, please visit our website for further information or call the office if you would like to come for a tour to see for yourself what a good school Fairholme is.

Kind regards,
Helen Willis
