Welcome Back!

Careers Morning
We would like to offer the opportunity to our older pupils to learn about work experiences. We would therefore welcome anyone who would like to come to school before the half term to give a simple presentation on their work. It is important that we stimulate our children's imagination. We have already received some expressions of interest but if anyone else would like to take part then please contact Mr Jones or Mrs Shelley Griffiths.

Parents Teacher Association
The PTA will continue to raise money towards resources in the school such as books, computers and to improve the Infants toilets. They are also looking for a Secretary following Mrs Blackmore's resignation. Please contact Mr Jones or Mrs Townend if you would like to take over the role.

Breakfast Club
Due to Health and Safety regulations could you please note that we cannot accept any children to the Breakfast Club **after 8:20am.**

Message from the Headteacher
Welcome back to a new term. Many thanks for the presents received from large number of you at the end of term. The new children have settled in well and look very smart in their uniforms. Please ensure that you put your child's name on the label of their clothes and that they have a PE clothes bag which will be kept in school. Please also ensure that your child arrives in school on time and that you let us know of any absences as soon as possible as we have to report more than 5 days worth of extra holidays or unauthorised absences to the LEA. Thank you.

School Photographs: If you wish to order your child's photograph please ensure that we receive all orders **by Friday 16th October**—no later.

School Cook
Mrs Dorothy Owen will be retiring on the 1st November. She has given the school years of loyal service and we will be very sad to see her go but wish her a very happy retirement. Although she does not want a fuss, I am sure that she would appreciate 'Thank You' cards. We will also be accepting donations towards buying her a leaving present via the office staff. Thank you.

Parents' Questionnaire
18% of questionnaires were returned to us and we received a reassuring response to our questions. In your opinion, 88% felt safe in school with 91% feeling happy. 94% of parents felt that their children received an education within their ability and 95% felt that their children should received every opportunity to be bilingual. The children's questionnaire showed similar results with 92% saying that they felt happy and safe in school and 85% stated that they felt they were being treated fairly. If you would like to view the full results then please ask Mr Jones.

School Uniform Policy
Please ensure your child adheres to the school uniform Policy. A number of the older children are wearing trainers rather than dark school shoes. Trainers should be used for PE lessons only. The School Uniform Policy states:- **In order to maintain a strong sense of identity and belonging within our school, we require all pupils to wear school uniform which consists of;**
