April 1st 2016

This week the Early Years children have been learning all about the story of 'Jack and the Beanstalk'.

Laila and Toby enjoyed building their own beanstalks using cereal hoops, spaghetti and leaves.

Kendall and Poppy had lots of fun at the 'milking station' just like in the story.

We are currently in the process of updating our school website. We have a 'host' website whilst our content is migrated. The host website can be found at <http://dalton-stmichaels.co.uk/>. Over the Spring holiday the bespoke website should be restructured. The new website will include a number of additional features which should further improve communication.

Mr Morley has taken some amazing aerial photographs of our school and surroundings which we are hoping to use on the new website. Thank you!

Dalton Book Day takes place on Friday 8th April.

Children and staff are encouraged to dress up as a character from a book. We look forward to celebrating and enjoying our favourite books.
