"I have loved you with an everlasting love"
Jeremiah 31:3

Reception: Well what a busy first week back we have had! We had lots of eggs left in the classroom on Monday and we had a big bunch of rusty keys. We have enjoyed investigating and discovering where they may have come from. We had some lovely ideas and have enjoyed writing about the eggs. We have also been looking at rhyming words. In Maths we have been looking at measuring with rulers and looking at ordering different lengths of string. In RE we have been finishing off our Easter week unit of work. Next week please could you ensure that for Wednesday PE the children have long jogging pants as we are going to start doing these sessions outside, trainers are optional. Please update your child's tapestry account with anything they have been busy with over the Easter break. We enjoy looking at these with the children. Can we also welcome Louise Shepherd to our class; she will be joining us every Thursday and Friday as part of her teaching assistant training. She will be with us for the next term.

Year 1: Our first week back has been very busy! We have been looking at our local environment and went for a walk on Monday; luckily the weather was great so we had a good time looking around. From this work, we wrote about Millom in an information leaflet, the children really enjoyed this mini topic. In RE we are finishing off our work on Easter week. The children gave some really thoughtful answers about how they would have felt if they had been around on Easter morning. In maths, the children have been measuring using rulers and measuring tapes, maybe they could have a go at doing that at home too! Next week, please could you make sure your child has their PE kits with them. Lessons will start to be outside with the better weather, so if you want to provide your child with trainers and tracksuit bottoms then that would be great. Finally, we say a massive thank you and goodbye to Miss Robinson who has completed a really successful placement with us over the past ten weeks. Everyone in Year 1 wishes Miss Robinson luck as she heads back to uni for the final few weeks before starting her first job in September! Have a lovely weekend!

Year 2: Well what a great start the children have made to the term this week. They have all settled back into their school routines and they have been working really hard. They have all thoroughly enjoyed making up and constructing their own unique animals. And they have also been working on their maths word problems. The first week can be tiring for the children though and hopefully after having a rest this weekend they will come in next week ready to work just as hard. Have a good weekend everyone.

Year 3: Welcome back after the Easter break – we hope you had a lovely relaxing time with your family. The children seem refreshed and have made a good start to the summer term. This half term we will have swimming on Wednesdays and PE on Thursdays which is likely to be outside whenever the weather suits so please ensure children have the correct kit and trainers for this. In Literacy we have begun a new topic looking at myths and are using the book 'Rainbow Bird' to learn all about them. We have continued with fractions in Maths and children are getting better at recognising equivalence. Over this coming half term, we will also be focusing our topic work on 'The Vikings' and learning about 'Plants' in Science. For homework this week, can we ask that children complete some of the sections on equivalent fractions on Mathletics and also see if they can find any myths (e.g. from home, library, or the internet) to share with the class next week. Have a lovely weekend.

Year 4: It's great to have the children back in school raring to go and ready learn. This week we have finished off our work on decimals by calculating and solving problems to do with decimals; especially money. This coming week, we will be thinking about co-ordinates and plotting points on a grid to make shapes. In Literacy, we have begun to look at stories where the characters face particular issues or dilemmas with a focus on the short Disney Pixar animation – One Man Band. Next week, we will be reading and learning 'The Balaclava Story.' Our topic work this half term will be all about the Egyptians and their way of life. Can I please remind you that the children need to have pumps in school at all times. Y4 will have tennis on a Tuesday afternoon and swimming on a Wednesday; please can you make sure that the appropriate kits are in school on these days. Thank you and have a great weekend!

Year 5: It has been a fantastic first week back at school in Year 5! We have started our new unit of work on narrative poetry and have been looking at the poem 'The Highwayman' by Alfred Noyes. The children have made an impressive start with this work and are really enjoying it! We have also begun working on our new history topic; the ancient Kingdom of Benin. I'm sure the children will have lots to tell you about this as we learn more in the coming weeks. Throughout this half term the children will have cricket on Wednesday afternoons as well as their normal P.E. slot on Thursday afternoons. Please can you make sure that they have their P.E. kits in school for both of these days. Next Thursday, Year 5 will be bag packing at Tesco in order to raise money for our residential trip. Once we have the total from this fundraising event we will be able to tell you the final cost for Lockerbie. I hope you all have a lovely weekend!

Year 6: It was great to see so many of the children come to the revisions sessions in the second week of the Easter holiday. The children have said that they were helpful and most enjoyed coming along! This week we are continuing to practise the skills required to tackle the tests which are fast approaching. In maths we have been learning how to find the area of a triangle and a parallelogram, and next week we will be moving on to find the volume of cubes and cuboids. In Literacy, we have been learning to recite the poem, The Jabberwocky, and have used this poem to revise word classes. We have also been practising how to refer to the text when answering questions about a passage that has been read. I am sending practise papers as homework for the children; it is really important that they complete and return these on time. I hope you all have a good weekend!

A NOTE FROM MRS NICHOLAS (PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE)

Welcome back everyone for the start of our summer term. I hope you have all enjoyed the Easter break.

WHAT'S BEEN HAPPENING: Cricket coaching in school time began on Wednesday 13th for children in year 5 and 6; please can these children remember to bring in their outdoor kits. The year 5 & 6 after school cricket club began too for those children who have returned their forms and been allocated a place. On Thursday, Alison from Tempest Photography came to take our class group photos. Proofs will be sent home for you to order from. Individual and family photos will be taken later in the term.

WEEK COMMENCING 18TH APRIL: There will be a year 3 / 4 hockey tournament at Millom School on Tuesday morning, children who are involved will be notified. Our Parents Guild have their meeting in year 4 classroom on Tuesday evening at 6.30pm, as always new parents are always very welcome to attend. On Thursday Reception Class and Year 1 have their rescheduled Beebots Workshop – hopefully it won't rain or snow on this day then the lady can get through to us! Year 5 will be holding their fund raising BAG PACK in TESCO on Thursday from 10am – 12noon and from 1pm – 3pm. Please do go and support them if you possibly can as they raise funds for their residential trip. Many thanks in advance of your support.

ADVANCE INFORMATION: We will be having a visit from The Life Education Bus on Monday 25th & Tuesday 26th April. The cost of this visit has increased over the years and we will no longer receive any funding donation towards is as in previous years. The donation was given by Diane Tyson and her team who fund raised for many years to help schools benefit from the bus. Unfortunately this group has disbanded and we need to pay for it ourselves. Could we please ask for a donation of £2 per child which will greatly help towards the cost of the visit. On Wednesday 27th year 3 will be having a visit from Charlie Lupton who is bringing his Viking Longship workshop! On Thursday 28th our Parents Guild will be holding their Summer Term Disco, arrangements for these are as usual and posters etc will be out next week.

School will be closed on Thursday 5th May as our building is being used as a Polling Station for the elections.

IMPORTANT: Please can we ask you to check your children's heads thoroughly. We have had some instances of head lice in school so please do be vigilant. Lotion is no longer available from the Children's Centre. We have been advised to direct people to the Community Pharmacy Minor Ailment Scheme which is at either of the Chemists in Millom. If you do NOT normally pay a prescription charge, pharmacists will be able to provide you with advice and/or medicines for minor conditions free of charge.

YEAR 4, 5 & 6 RESIDENTIAL TRIPS: Please could you make sure that payments are made promptly for your child's residential trips please. School does need to pay upfront for accommodation so it is vitally important that we do get all of the money in for the trips please.

I hope you all have a lovely weekend and enjoy the lovely weather we have forecast!

SCHOOL MEALS: The menu for week beginning 18 April 2016 is number 3.

Please remember to order your child's school meals or cancel them by 9.30am
