

Dalton St Michael's C.E. Primary School

Newsletter 14

April 29th 2016

Our Early Years have been searching for mini-beasts this week.

Lilia was fascinated with the magnifying glass and the creatures she found.

They read the story 'The Hungry Caterpillar' and made their own caterpillars out of playdoh as well as their own caterpillar hats.

The Rocket seeds from the International Space Station have arrived in school. A group of children carefully prepared the seeds for the investigation which will take place over the coming weeks. We look forward to watching how the seeds from space grow.

Please take a look at our new website which is now 'live'. It can be found at

<http://dalton-stmichaels.co.uk/>

There will be further additions over the coming weeks.

Mr Atkins has a new addition to his family. Reuben was born on April 16th. Mr Atkins is currently on Paternity Leave and will return to work on Monday 9th May. We hope he enjoys his time at home with his family.

Stars of the Week

Reception: **Ellis** for his fabulous drawing of a Motte and Bailey castle

Year one: **Robyn** for describing a brilliant mixed up animal called a 'Dorse' – Can you guess which two animals she used?

Year two: **Oliver** for his brilliant writing using powerful verbs and adverbs

Year three: **Maya** for brilliant reading in Collective Worship

Year four: **Isabella** for being a kind friend and including younger children in our Maths measuring lesson

Year five: **Elijah** for focused work in Maths and completing his homework on time

Year six: **Jack** for brilliant independent work and trying so hard in Maths

Attendance

Class 3 - 99.17 %

Next Week

School is closed on Monday 2nd May for the Bank Holiday and on Thursday 5th May for the Polling Day.
