

## PE and Sport Grant: 2015 – 2016 (2)

Cuckoo Hall Academy has been in receipt of additional government funding specified as 'Sport Premium' since its introduction in September 2013. For the last two academic years each school in England has received £8000 plus £5 per child on roll. Schools are free to spend the Sport Premium as they see fit since they are best placed to assess what additional provision should be made for all the pupils within their school. This extra funding must be spent on Physical Education and school sport. We will be held accountable for how we have used the additional funding and since April 2014 we are required to publish online information regarding how we have used the Sport's Premium and the impact it has made. To meet this requirement the following information has been produced which sets out the amount of Sport Premium we received and how we used it. We aimed to utilise this extra funding to improve all aspects of Physical Activity. These included: maximising pupil progress, increasing participation in sport, professional development of staff and to help all our pupils to develop healthy lifestyles and positive attitudes towards Physical Education.

In 2015-2016 the vast majority of our pupils achieved the expected stage for PE. There are also a significant number of pupils exceeding the expected stage for PE. The focus based on previous assessment data was Year 3 and Year 4. Using the current data, the progress and attainment of these cohorts has increased. However this phase will remain the focus.

Cuckoo Hall Academy received **£11,450** Sports Premium Funding for the year April 15-16.

Description	Approximate Spend	Impact
Local Authority buy back 'Excellence in Primary Physical Education'	£3,450	<ul style="list-style-type: none"> <li>• High quality CPD for Subject Leaders</li> <li>• Class Teacher CPD/Training</li> <li>• Specialist support and advice from the Enfield LA PE team for policy and practise in PE and resourcing</li> <li>• Enfield Borough Sports Events e.g. District Sport.
