## Professional Pantomime - Beauty and the Beast

School fund is covering the majority of the cost and some children have made the minimum contribution of £1 per family we need to get the show on. Please send in the contributions if you wish your child to be involved as our school budget has to be spent on keeping the building warm enough to stay open. Please complete the form below.

## Heating and Burst Pipes

We are staying open but are relying on temporary heaters. The temperature is only just above the level where we would have to close. Please send children in vests or T shirts under school shirts and please ensure children have school jumpers and coats.

The only other school in Bury built at the same time as ours (Elton High) has suffered similar burst pipes and heating problems. They have closed this week.

## Thank You to St John the Baptist Church

As well as hosting lovely services, running an after school club and Rev Joyce's monthly assemblies, the church has donated £100 to the school. This is being spent on emergency heaters!!! We are extremely grateful.

## Lost Property

We are no longer able to store lost property. Any items with names in will be returned to children. Items without names will be disposed of on health grounds. There will be a last chance to look for items without names on Thursday 7.1.16 at 3pm.

## Bag 2 School

There will be a bag to school collection on Monday 25<sup>th</sup> January. Please bring any bags in

by 9am on this date. Extra bags are available from the office. Please note the following which they do not accept:

bedding; curtains; towels; school uniform; textile cut offs and yarns.

We cannot accept bags prior to this date as we have nowhere to store them.

## Calendar

Our calendar features every child with their birthday identified. The last few are available for £5 from the school office.
