## Name of child

### Heating

We now have hot water and more temporary heating purchased using our church donation and school funds. The Local Authority have provided a further seven heaters. We are therefore warm enough in school but please continue to send the children in extra clothing, tracksuits, jogging bottoms etc. can be the same for PE as for outdoor games.

We have had a MET Office warning of snow for the area. We would close a section of the building if the temperature fell below 18°C in classrooms. We would stay open for the first day of such a crisis to give parents time to make arrangements for childcare.

### Calendar

Our calendar features every child with their birthday identified. The last few are available for £5 from the school office.
